Like fire provides Light - Chabad has blazed the trail in creating passionate and compelling Torah Study that continues to provoke inspired and purposeful living.

Like fire provides Warmth - Chabad welcomes all with unconditional love, regardless of spiritual, economic or other distinctions, providing them with a renewed sense of worth as a proud member of our People.

And clearly it's working. In six short years, our numbers have swelled. Our current location can no longer contain our dynamic and vibrant community.

The time has come for us to have a home to call our own .. And

Like Fire needs a torchbearer, Chabad needs you . . .

If not us, then who? . . . If not now, then when? Please carry the torch!
